“What we learn with pleasure we never forget.”

-Alfred Mercier-

An excursion can be one of a child’s most rewarding and unforgettable experiences. It provides children with experiential education that leads to self-respect and appreciation for life. All of the outcomes – friendships, overcoming challenges and building character - prepare them for bigger, brighter lives down the road. In addition to great friendships and enduring memories, many important life skills are learned at excursions. With this aim G.D. Goenka Public School, Sarita Vihar organized an annual excursion trip to KidZania for the young Goenkans of Nursery to II on Tuesday, March 21, 2023.

KidZania is a safe, indoor and interactive theme park that empowers, inspires and educates kids through role- play activities in a realistic environment. The students enacted as Pilot, Surgeon, Chef, and many more to their heart’s content. The excursion provided the Goenkans with a powerful developmental platform to learn through firsthand experience. It was a perfect example of learning by doing and facing real life situations. The smiles on the faces of the Goenkans were a proof of their joy, satisfaction and sense of achievement at KidZania.
