Baisakhi Celebration Report

Baisakhi is a popular festival celebrated in India, especially in the Northern Indian states. It also marks the beginning of the New Year for the Sikh community. Baisakhi falls on the 13th of April every year. It is a time of joy and happiness for people of all ages. The junior school of G D Goenka Public School organised an assembly on occasion. The assembly started with a prayer to seek blessings from the Almighty for a prosperous harvest season based on the value of the month 'Compassion'. The Headmistress, Ms Vinita Sachdeva emphasised the value of the month by sharing the principles of sharing and caring for the needy as well as fostering a sense of compassion and empathy in students. She also talked about the Community Outreach Programme, which started on April 13, 'Khushiyan ka Recycle', and encouraged the students to be empathetic and considerate towards those who may not be as fortunate as them.

The students were shown a presentation on the importance and significance of celebrating Baisakhi. This helped them learn more about India's festivals and rich cultural heritage, reinforcing the school's commitment to creating responsible and compassionate citizens. Various craft activities were organised for students of each class. The students returned home with a beautiful takeaways of the Baisakhi craft and happy memories of the celebration with a more profound understanding of the tradition.
