

**THEME:** Reading

**REPORT:** Book Fair

**DATE:** July 21<sup>st</sup> & 22<sup>nd</sup> 2023

**CLASS:** Nursery to II

## **EVENT REPORT**

Books are synonymous with learning and education and have always been a concrete source of information and knowledge for many generations. It is essential for children to develop the healthy habit of reading books from a very young age as it builds their vocabulary and self-study skills.

To inculcate reading habit among the Goenkans, G.D Goenka Public School, Sarita Vihar, Junior Branch organised a two days book fair on July 21 and 22, 2023 in the school premises. The fair was organised in collaboration with the Scholastic Publications, India and exhibited a wide variety of books ranging from fairy tales, moral stories, activity books and science based content. The books not only catered to the young age group but also pandered to the visitors of all age.

Day one, that is July 21 2023, was the day devoted to book browsing where all students from Nursery to class 2 accompanied by their respective teachers browsed through the books. The teachers assisted the students in selecting age appropriate books for themselves. Day two was also the day of the Parent Teacher Meeting and the fair was opened to all the parents and visitors in the school. The book fair was a huge success and the students and parents had a wonderful experience. The fair concluded with a lucky draw and winner was awarded with prize by the school Principal, Ms. Seema Sahay in the presence of all the Goenkans of the Junior Wing.
