### **EVENT REPORT**

**“When children pretend, they’re using their imaginations to move beyond the bounds of reality. A stick can be a magic wand. A sock can be a puppet. A small child can be a superhero.” -Fred Rogers**

As part of the Goenkan Summer Enrichment Programme the students of classes Nursery-II were dressed up as their favorite characters of stories and cartoons on June 8, 2020. The students along with their parents enacted various prominent stories like Rapunzel, Snow White and the Seven Dwarfs and The Little Red Riding Hood. The teachers were also dressed up to encourage the little Goenkans. The objective of this activity was to bring out the student’s unique style of self-expression, develop creative communication and impart listening skills in the students.

Apart from that the activity also helped the students to have a quality connect time with their parents in the tough times of pandemic. The students and their parents exhilaratingly participated in the session.
