## Chocolate Day Report

*"When it comes to chocolate, resistance is futile." - Regina Brett*

Sweetness in Words, Sweetness of Thought and Sweetness in Action. World Chocolate Day is all about eating chocolate!

World Chocolate Day 2022 or International Chocolate Day is celebrated around the world on July 7. The day is an annual global celebration of chocolate, which allows people to gorge and indulge, hopefully guilt-free, in it. On this day, chocolate lovers from all over relish eating different kinds of chocolate or create several dishes.

The students of G D Goenka Public School, Sarita Vihar celebrated this sweet day by relishing and sharing their favorite chocolates with their friends. To make them aware of the chocolaty things available in their day to day lives, a Chocolate Corner was set up which displayed different products which had chocolate as an ingredient. In the Goenkan Kitchen the Goenkans of the Junior School were seen whipping, flipping, making yummy recipes like the Chocolate Swiss roll, Chocolate Cookies Sandwich, Chocolate and Gems Sandwich scrumptious Chocolate Cakesicles. It was great to see them carefully patting their cookie batter with chocolate sauce on the platter creating their recipes. The act of biting into a velvety piece of chocolate was so comforting for young the Goenkans.

The joy of celebrating the Chocolate Day was seen on the gleaming faces. The tiny tots with candid joy in their hearts and angelic sweet smiles on their little faces seemed sweeter than any chocolate ever made on the planet.
