### COFFEE WITH CURRICULUM

G D Goenka Public School, Sarita Vihar has always focused on giving its children a holistic approach and help its students to learn concepts in an integrated manner and for life. The Goenkans of Grade I presented an Integrated Learning Programme by the name “Coffee with Curriculum” before the audience on February 27, 2021. The idea behind the presentation was to showcase the learning which they have gained during the session in various subjects through experiments, games and hands on activities. The event provided each child an opportunity to portray the knowledge gained by them so far in the session. The programme commenced by seeking the blessings of the Almighty , followed by encouraging words by the respected Principal ma’am-Mrs Seema Sahay.

The concepts of all the four primary subjects, Mathematics, English, Hindi and Life Science were well exhibited. The display by the children showed that they were all set to move to the next rung of their academic ladder. The event demonstrated learning and enhanced the confidence of all the students exponentially. The presentation was concluded by the Headmistress ma’am- Mrs Vinita Sachdeva’s address to the gathering which gave a fillip to the commendable efforts of the students and parents.

The presentation was showcased live through the school’s Facebook page for everyone to witness the applaudable work of the young Goenkans.
