

THEME: Annual Presentation

REPORT: Coffee with Curriculum

DATE: March 04th, 2023

CLASS: I

EVENT REPORT

“For the things we have to learn before we can do them, we learn by doing them.”

G.D.Goenka Public School, Sarita Vihar has always focused on giving its children a holistic approach and help its students to learn concepts in an integrated manner and for life. The Goenkans of **class I** presented an Annual Integrated Learning Programme by the name “Coffee with Curriculum” before the audience. The idea behind the presentation was to showcase the learning which they have gained during the session in various subjects through experiments, games and hands-on activities.

The event provided each child an opportunity to portray the knowledge gained by them so far in the session. The programme commenced by invoking the blessings of the almighty and welcoming the parents, followed by encouraging words by the respected Principal ma’am-Ms. Seema Sahay.

The students exhibited their learnings of all the four primary subjects- **English, Hindi, Mathematics** and **Environmental Studies** in a well-integrated manner by incorporating **Art & Craft, Music, Dance** and **other activities**. Each child took the opportunity to confidently talk about various topics they learnt, subject wise, during the academic session demonstrating experiential learning. They performed experiments, showcased the related models, flash cards, puppets, charts and even some of the related applications like the story jumper.

The display by the children highlighted the fact that the Goenkans were all set to move to the next rung of their academic ladder. The event demonstrated learning and enhanced the confidence of all the students exponentially.

The presentation was concluded by the Headmistress, Mrs. Vinita Sachdeva’s address to the gathering wherein she proposed a vote of thanks.
