Assemblies are a great way to bring the school together and culture young minds!

Morning assemblies are an integral part of the school curriculum which bring about an awareness and shape young minds. A General Assembly was held by the students of class II A at the Junior Wing of GD Goenka Public School, Sarita Vihar on April 13, 2023. It was held in the school auditorium with classes Nursery to II as the audience. The assembly was based on the value of the month, Compassion. A special briefing of the festival of Baisakhi was also made during the assembly.

The assembly started by invoking the blessings of the Almighty followed by the thought of the day which stated that it is not only important to feel another person's pain but also be moved to help relieve it. The News Bulletin was taken up next. The students took up the National, International, Sports and Campus News. The weather report was shared next by the students. The students then invited the Headmistress, Mrs. Vinita Sachdeva to share her views on the value of Compassion.

Since the assembly was hosted on April 13, the day of the Baisakhi Festival, the Headmistress, Mrs. Vinita Sachdeva addressed the students and explained to them the importance and nuances of the festival of Baisakhi too. The students understood that they are indirectly dependent on the farmers for the yield that can feed and sustain life. They also learnt to express their compassion and gratitude towards the Almighty and all those people who toil in the fields for the harvest of crops. The host class, II A was also appreciated for their efforts in presenting a wonderful assembly.

The assembly concluded with the National Anthem.
