“Look deep into nature, and then you will understand everything better.”

- Albert Einstein

The greatest threat to our planet is the belief that someone else will save it. Earth Day, which was observed at G D Goenka Public School Sarita Vihar on Thursday, April 22, 2022, is about appreciating the uniqueness of our planet Earth, while at the same time, educating ourselves about what we have and what we are losing by acting in ways that aren't environmentally friendly.

The little green warriors of classes Nursery-II enthusiastically participated in various activities to commemorate our benevolent Mother Earth. The students of class Nursery were shown an audio-visual and sang songs about the importance of Earth Day. A craft work was also done through torn-paper art on earth shape paper cutouts. Through an interactive power point presentation, the students of KG were educated about the importance of the Earth Day. An engaging craft activity was conducted where they exhibited their creativity by using paper plate, paints and patterned paper to create Earth miniature. Class 1 children took part in plantation drive participated in 'Let's plant a sapling' activity and made a model of Earth using blue and green clay. Class 2 students pledged to reduce, reuse and recycle and exhibited their love for mother earth by beautifully coloring blue and green colours on earth's miniature pictures.

The celebration helped students assimilate simply yet clearly that they are the ones who should keep the environment clean and do whatever they can to protect it. The celebration also rekindled emotive concerns activated the youngsters to save, love and respect Mother Nature with all their hearts and souls. Each one of them took a pledge to save Mother Earth by doing simple doable actions. They understood that their continuing efforts in their day to day lives will make this beautiful planet thrive.
