“Ramadan is the month of Blessings and Forgiveness”!

Festivals are important as they help individuals to understand their roots and keep the community integrated. G D Goenka Public School Sarita Vihar lays emphasis on special assemblies and celebrations to develop an understanding of the values of each important festival and to bring about a feeling of oneness and tolerance to help students coexist in a mixed environment and learn from each other.

The students of Class II C staged a special assembly on the occasion of Eid-ul-Fitr in the school auditorium of the Junior Wing on April 20, 2023 which was witnessed by the students of classes Nursery to II who were the enthralled audience.

The assembly began by seeking the blessings of the almighty followed by the Morning bulletin and thought of the Day.

The students commenced the show by offering Sheer Khurma to the principal, Mrs. Seema Sahay as per the Indian tradition to mark the beginning of an auspicious occasion. Thereafter, the students presented a skit portraying when and why Eid-ul-Fitr is celebrated. They depicted how fasting during the month of Ramadan is one of the most important acts of worship and that the day marks the end of Ramadan after the 30 days of fasting. The students elucidated on how the festival develops the virtue of sacrifice, empathy and self-control in an individual and how it teaches all to be helpful to the needy. The five pillars of Islam were beautifully explained by the students along with Chaand Raat and the ritual of Iftaar. The highlights of the assembly were the rendering of the Azaan, the vibrant Qawali and the dance on Eid Mubarak.

The students invited the Principal, Mrs. Seema Sahay and the Junior Headmistress, Mrs. Vinita Sachdeva to share their thoughts and bless them. Mrs. Sahay encouraged the students and applauded them for putting up a seamless performance. The Headmistress too, brought forth the learnings of the festival and praised the students for their great efforts. The hall reverberated with Eid Mubarak greetings.

It was an enriching session. The students not only enjoyed the session but also learnt about the rich tradition and culture of their country. They also learnt to be grateful for what they have and be compassionate towards the less fortunate.
