“Diversity is not about how we differ. Diversity is about embracing one another's uniqueness.”

— Ola Joseph

The tiny tots of class Nursery C of GD Goenka Public School, Sarita Vihar hosted a meaningful assembly on the value of the month ‘Embracing Diversity’. Embracing diversity means accepting differences in others. Laying stress upon the beauty of differences in each one of us, the assembly aimed at honouring and respecting everyone’s choices and differences.

The assembly commenced with a prayer song followed by the thought of the day, latest news and weather report. A wonderful poem by a student put across a very important message, of not judging anybody and valuing their uniqueness. This was followed by a dance performance in which the children were attired in the ethnic costumes of the diverse regions and states of India. They danced to the popular song, “My name is Madhavi.’ The song, along with their attire, spoke volumes about the message our children were trying to convey – Embracing Diversity.

The school Principal, Mrs. Seema Sahay appreciated the efforts put in by the students and enlightened everyone by explaining how people of different religions, creed, castes, languages, cultures, lifestyle, faith in God, rituals of worship, live together with each other in India. The rendition of the National Anthem concluded the assembly.
