

G.D. GOENKA PUBLIC SCHOOL, SARITA VIHAR

## **GOENKAN MIRABILIA**

**THEME: Inter School Competition**

**REPORT: Goenkan Mirabilia- Marvels & Miracles**

**DAY & DATE: Saturday, February 26, 2022**

### REPORT

*There's a little wonder inside each one of us.  
We seek outside the wonders we carry inside us.*

*Rumi*

The virtual era undoubtedly has transformed lives in a multitude of ways. From learning remotely to getting comfortable with the hybrid mode, our young minds serve as the highest source of motivation to maintain the continuity of learning. While these unanticipated times have altered the normal functioning of school, it has also undoubtedly transformed the centuries old chalk-talk model to the one driven by technology. The new normal has also paved the way to explore, discover and rediscover innate talents, and fostered creativity.

GD Goenka Public School, Sarita Vihar, conducted, with great enthusiasm, the Goenkan Inter School Event, **GOENKAN MIRABILIA- MARVELS & MIRACLES**, on Saturday, February 26, 2022, on the digital platform. The event brought together the pre-primary, primary and junior school prodigies and provided them a vast canvas to paint their creativity via competitions well-balanced with fun and learning. With participation from 25 schools and more than 170 students from Delhi-NCR and Jammu and Kashmir, the delightful one-day event was presided over by eminent judges from varying professions each with the common vision of encouraging young minds to spread their wings and soar higher into the sky.

Goenkan Mirabilia encompassed a well-structured plan curated with care and precision. The event commenced with the inaugural ceremony replete with the spirit of Athithi Devo Bhava. The school principal Mrs. Seema Sahay expressed joy and a sense of fulfilment as she encouraged students to put their best foot forward. The stage was set to present the amalgamation of seven individual competitions catering to students from pre-nursery to class 5. In the pre-primary category, the youngest of all in the tender age of 2.5 years to 3.5 years created

magic in **Claymation** with their petite fingers as they molded play dough into their favourite creature from the animal world. In the competition titled **Shape-a-Licious** students of Nursery donned their chef hats to present a culinary delight wherein edible items of varying shapes were artistically put together to create a thematic scenery. As global citizens of the 21<sup>st</sup> century our kindergarteners upcycled junk into captivating three-dimensional structures in the event aptly titled **Funk the Junk** and pledged to leave no stone unturned to save their environment.

From the primary school group, students of Class 1 stepped up the game of innovation and creativity as they presented famous mythological figures and personalities from the ancient times in the present day in sync with the name of the competition **Mixera**. The event **Yogtantra** witnessed students of Class 2 display balancing yoga postures depicting the hands of a clock. This marvelous way of telling time mesmerized the spectators.

Among the junior school students, the first category **Storygami** saw students of Class 3 integrate the art of story-narration with the paper-folding technique, origami, and tell interesting tales while simultaneously creating origami figures. Students of Class 4 took innovation to another level as they sang peppy jingles on the theme Vocal for Local in the competition titled **Jingle Fun**. The jingles were rhythmically supported music created from household items. The techno savvy participants of Class 5 doodled their favourite Disney character using doodling apps in the competition **Disney Doodle**. The creation highlighted the strength of the chosen character.

The acknowledgements received from the jury and participating schools at the end of the day translated into the success of the show. The show culminated with the Headmistress, Mrs. Vinita Sachdeva applauding the efforts of the students and teachers and expressed gratitude to the judges for sparing their valuable time.
