#### **EVENT REPORT**

As part of the school's community outreach program G.D. Goenka Public School, Sarita Vihar is associated with Goonj, an NGO for the underprivileged.

As we began an exciting new session, we were driven by our commitment for the society. Therefore, in association with our long-term community outreach partner – **GOONJ**, we felt there was always a possibility to unlock the joy by making the right choices - '**Khushiyon Ka Recycle**' (Recycling Happiness), the campaign was just the opportunity to stand for our fellow citizens especially children in villages and missed-out communities.

G.D. Goenka Public School, Sarita Vihar in its endeavor to contribute to the community, participated in the 'Khushiyon Ka Recycle' initiative of Goonj. The school generated awareness among students and teachers and organized a collection drive.

In order to sensitize the students about the community work, they were encouraged to contribute Stationery, notebooks, storybooks, school shoes, bags, sports items, board games, general clothing, uniforms, toys, lunch boxes, water bottles etc.

Students could also make a pack of a minimum of 5 school items (like last year's books, stationery, uniforms, shoes, lunch boxes, water bottles, and colors) to share with their friends in the villages. Values of empathy and compassion got driven by their generous contribution.
