#### **EVENT REPORT**

As part of the school's community outreach program G.D. Goenka Public School, Sarita Vihar is associated with Goonj, an NGO for the underprivileged.

As many parts of India – especially the North East, are experiencing devastating floods right now. The basic needs due to failure of crops, non availability of food, lack of income generation activities and high costs of daily need material, life certainly is a mess for millions of people in many villages. Goonj is in the midst of reaching basic needs relief material to these communities in this difficult hour.

G.D. Goenka Public School, Sarita Vihar in it's endeavor for contributing towards the community, participated in the 'Raahat' initiative of Goonj. The school generated awareness among students and teachers and organized a collection drive.

In order to sensitize the students about the community work, they were encouraged to contribute dry food items - (rice, pulses, spices, milk powder, sugar, tea leaves, biscuits), tarpaulins & ropes, general utensils including cookers, kadhai, cooking pans, sarees, children clothing, new undergarments, bed sheets & curtains, good quality blankets, umbrellas & raincoats, mosquito nets and back-packs. Values of empathy and compassion got driven by their generous contribution.
