### EVENT REPORT

As part of the school's community outreach program G.D. Goenka Public School, Sarita Vihar is associated with Goonj, an NGO for the underprivileged.

Awareness is the first step to change. Therefore, we organized an awareness session for the students of classes VI – XII about **Goonj's School to School Program**, an initiative that builds a relationship of empathy and dignity

between urban and rural children. The session was conducted by Goonj fellows – Mr. Gulshad, Ms. Sonam and Ms. Sushmita, building awareness and empathy on rural issues, Sensitizing children to value their resources and Inculcating Volunteerism and mindful giving practices. With students' active participation, the webinar turned out to be successful.

We also contributed towards Goonj's flagship program – 'School to School' branded as '**Khushiyon ka recycle**' by organizing a collection drive at G.D. Goenka Public School, Sarita Vihar on May 14 and 15, 2022.

Parents and students were sensitized on how urban waste can become a rural resource and they were encouraged to contribute school related material like old uniforms, water-bottles, lunchboxes, books and stationery, shoes and bags. The contribution drives organized at the school are not just a display of our social responsibility but also a forum to instill the values of empathy and compassion among the students. These are life skills demonstrated in action. Students and teachers participated in this contribution drive with full enthusiasm and the collection was forwarded to Goonj.
