

G.D. GOENKA PUBLIC SCHOOL, SARITA VIHAR

THEME: Helpers' Week

REPORT: Celebration of Helpers' Week

DATE: Monday, May 1, 2023 to Thursday, May 4, 2023

CLASS: Nursery-II

"Everyone wants love and care, but, more than these, human beings want respect for who they are."

-Dzigar Kongtrul-

Human beings are social in nature. Being a part of our society, we exhibit a social behavior too. In our social environment, we take care of others and they care for us too. A community is the social environment we live in and it needs many people to help it to function efficiently and make the world a better place to live. Educating students about the community helpers and the kind of roles they play in our daily lives, is highly important as it helps to foster a sense of teamwork within their world. Indeed, it reminds us of how inter-connected we all are when we live in a community. To inculcate the feeling of gratitude and respect for these significant members of our society G.D.Goenka Public School, Sarita Vihar celebrated Helpers' week from May 1,2023 to May 4,2023.

Special assemblies were planned during the week for the children of classes Nursery to II wherein they were given opportunities to interact with the various community helpers, understand their nature of job and challenges faced by them in their day-to-day life. The little Goenkans interacted with a Doctor, Nurse, neighborhood barber and cobbler, nannies and guards of the school. All the helpers came with their tools and demonstrated their roles in front of the children. They shared their experiences and answered the queries put up by the students. The interaction helped the children to broaden their horizon and learn about the world beyond their home. It also helped them to create a sense of belonging for their community and develop social skills.

In order to express gratitude and appreciation for these magnanimous members of our community, the children presented each helper a 'smiley badge'. They pledged to be considerate and compassionate towards all the community helpers as a mark of respect for the kind of roles they play in our lives. It was indeed an emotional moment for all the helpers and a great learning experience for the little Goenkans.
