EVENT REPORT

India is a land that represents the blending of beliefs, diversities and cultural celebrations we call “festivals.” According to Hindu mythology, Holi is a festival cherished through colours that symbolize the power of love and the victory of good over evil. This festival was celebrated by the primary students of **G.D. Goenka Public School, Sarita Vihar** with great fervor, zeal & enthusiastic spirits.

A special assembly was conducted by the students of class 1A on this event. The little goenkans were introduced to the significance of the festival and the story behind the celebration. Children enacted the story of Prahalad and told the significance of Holika Dahan. Teachers & students witnessed a riveting dance performance on a fun filled Holi song and children also sprinkled flower petals on each other to mark the significance of a safe holi. The assembly concluded with the school Principal, Ms. Seema Sahay’s address, where she highlighted the importance of the festival and wished all the staff members and the children.

The blooming buds of **Nursery** and **Kindergarten** enjoyed hand painting on paper and t-shirts. They also sang songs and danced to the tunes of Holi songs. To rejoice in the festival of colours, it is equally important to play safe. To accentuate the same, the students of class I & II prepared herbal colours from scratch with flowers that they had dried and ground into powder. They also used turmeric powder to make yellow colour and vegetables like spinach to make green colour.

In all, it was a colourful day with knowledge, safety and joy as a priority.
