EVENT REPORT

I scream

You scream

We all scream for the Ice-cream!!

Whenever you are happy or whenever you are sad, whenever it is cold or whenever it is hot, you don't really need a reason to enjoy your favourite ice cream. The junior students of G.D. Goenka Public School, Sarita Vihar celebrated the Ice-cream Day with great zeal and enthusiasm.

All the students from class Nursery to Class II had great fun and relished the delicious ice-creams they took from the ice cream cart vendor who was placed inside the school premises. Students enjoyed vanilla and strawberry flavours of ice cream with their friends.

A Power Point presentation was shown to the students in the classroom to familiarize them with the facts related to the ice cream and process of making ice cream at home. The day concluded with students enhancing their creative ability by making a craft related to the ice cream day which they took home as a token of remembrance.

The School Headmistress, Mrs. Vinita Sachdeva too joined the students in the cool celebrations. The sweet and cool day was full of excitement and fun.
