CLASS: Nursery – II

“The more that you read, the more things you will know. The more that you learn, the more places you’ll go.”

- Dr. Seuss

The habit of reading is fading away due to technological advancements. To inculcate the love for reading in the students and to improve written and spoken expression, GD Goenka Public School, Sarita Vihar observed ‘Literary Week’ with an array of activities through the week from 09th to 13th May, 2022. The little ones at the primary level enthusiastically participated in their own special way on each day.

Day1-Character Parade: The week began with a colourful parade of students of classes Nursery -II dressed up as their favourite story character. The parade happily moved around in the campus creating awareness about the habit of reading.

Day 2- Book Mark Making: A good book mark can be invaluable, saving your precious time thumbing through the pages to find your place. The little hands of classes Nursery-II made beautiful creations. Paper, Origami sheets, ice cream sticks, colors were used to make the lovely book marks.

Day 3- Reading Day: Reading is a simple way to keep the minds active, while not overloading with work. Children enjoyed reading their favourite story book from the library and later they discussed about various aspects of the story.

Day 4- Storytelling Session: Through hearing stories, children are exposed to a wide range of words and build their own vocabulary and improve their understanding. The teachers enacted and narrated stories like The Rainbow fish, the great race etc. The children enjoyed the story and learnt the message from the story.

Day 5- Me & My Puppet: Puppets are engaging toys that can help support oral language skills and communication. The students made attractive puppets by using different materials like colorful paper, ice cream sticks, paper cups, etc. to make their puppets.

The literary week turned out to be an extremely engaging experience with a balanced mix of learning with fun for the children.
