

# G.D GOENKA PUBLIC SCHOOL, SARITA VIHAR

## MANGO DAY

**THEME:** Mango Day

**REPORT:** Mango Day Celebration

**DATE:** July 07, 2023

**CLASS:** Nursery - II

### Mango Day Report

Mango Day is a much awaited celebration in the Junior Wing of G.D. Goenka Public School, where students gather to celebrate the culinary, social and cultural significance of the mango fruit. To kick-start the Mango Day celebrations a “**Mango Mart**” was set up to display all mango products which the students could relate to. The students and teachers all discussed about the wide variety of mangoes and mango delicacies which are available. The display rounds by the students were escorted by the teachers of each class, highlighting the nutritional benefits, cultural importance, and different types of mangoes found in India through a PowerPoint presentation once they were back in the classrooms.

Hands-on activities like **Mango Pickle making, preparing a Mango Mojito, a Mango class party**, were organized during the day and all students actively participated enthusiastically.

To foster creativity and artistic expression, students engaged in tattoo-making activity with a mango theme. The students were overjoyed to have tattoos on their arms as a takeaway and it was delight to see children dressed up in shades of mango colour clothes. The Mango Day Celebration was as sweet as the fruit itself, providing the students with an immersive experience celebrating the national fruit of India.
