This was clubbed with child-friendly, non-fire cooking recipes that were prepared by the little ones as a part of the celebration. The children learnt the ancient art of preparing mango pickle using raw mangoes, mustard oil and spices.

Our national fruit -Mango and its importance was shown to the children through a presentation to make them aware of the facts about mangoes and how it is used to make multiple products as yogurt, jam, shakes, candies, desserts, jellies and pickle.
