Mothers' Day Report

“The loveliest masterpiece of the heart of God is the heart of Mother”

Mothers are not only the women who gave birth to us but also the amazing role models who have enriched our lives. To celebrate the everlasting bond of love and affection, the Mothers' Day was celebrated in high spirits and merriment by the junior students of G D Goenka Public School, Sarita Vihar.

To recognize the essence of mothers, students with heart-warming feelings filled the air with gratitude, appreciation and acknowledgment. The little Goenkans enjoyed this special day with lots of activities and showed their creative skills. Class nursery children made beautifully decorated hand bags for their mothers. Kindergartners made amazing Tiaras saying 'You are the Best'. Grade 1 designed beautiful Photo frames displaying pictures with their mothers. Grade II kids made crowns for their Mom.

It was a pleasure seeing the enthusiasm of kids preparing takeaways for their Moms and the overwhelming response of the mothers while accepting the special handcrafted gifts. It was indeed the most special 'Mothers' Day'.
