Mango, king of fruits, sumptuous, pulpy and amazing in taste and most importantly favourite of kids was celebrated in an online session called ‘Mango Mania’ organized by G D Goenka Public School, Sarita Vihar on July 12, 2021 for the students of classes Nursery to II.

The day started with a general conversation about the king of fruits- Mango, followed by a fun mango rhyme. The children learned important facts about mango through a visual presentation depicting varieties of mango like Langra, Chausa, Amrapali, Keser, Ramkela etc. Kids were amazed to see different coloured and various sizes of mango.

The teachers also briefed the students about the various health benefits and nutrients it offers like- vitamin-C and vitamin-A. Children were shown and told about the various forms of its consumption such as- mango shake, ice cream, jam, pickle, candy, chutney etc. The celebration concluded with a hands-on activity by Nursery children who made ‘Mango Head Gears’ and Kindergarteners who created an attractive 3D mango Craft. The young Goenkans of class I crafted ‘Mango Eye Mask’ and Class 2 students made a fish out of a mango seed. At the end of the day, they all relished mangoes in the class and had lots of fun.

Overall, it was a fun filled experience for all kids and this event will be cherished in their little minds for a long time.
