Event Report

“Mother is the heartbeat in the home; and without her, there seems to be no heartthrob.”

—Leroy Brownlow

Mother's Day - a sweet and charming occasion that any son or daughter can't afford to miss is a commemorative event which is cherished and loved by all. This is the day we all get to celebrate with our best friend and the person to whom we always turn to when we need advice. This day celebrates the bond of love and affection that is everlasting and is something everyone can relate to.

Keeping this bonding emotion in mind, G. D. Goenka Public School, Sarita Vihar made this quarantine Mother's Day the most memorable and unforgettable for their students by involving them in preparing something special and unique for their mothers. The students were in their greatest excitement when they were allowed to enter their virtual classrooms with their moms. The mothers had a splendid and impressive time when their children surprised them with something spectacular and exciting. It was a pleasure arousing moment for the school Principal, and teachers watching the super excited children making paper flower jewelry by guided by the resource person, Ms. Upasana Sachdeva, owner of Craft Shaft.

When the tiny toddlers of the class nursery and KG surprised their mothers with their craft skills, the delight was evident on their faces. The session was progressed by a little dance routine for the Mom and Me duo. In the end, the school principal, Ms. Seema Sahay, thanked the mothers for their presence and the efforts they put in their child's life.
