Coffee with Curriculum is an annual feature in the pedagogy of GD Goenka Public School, Sarita Vihar. It is a year-end event where the students take the centre stage to highlight the learnings they acquired across disciplines during the entire academic session.

This year, the presentation took place on Thursday, March 02, 2023 for the students of class Nursery. The event commenced by invoking the blessings of the Almighty followed by the Principal, Mrs. Seema Sahay’s address to all the parents and students and her good wishes. The young students enlightened the parents on how and what they learnt about the seven continents followed by how they discovered the beautiful world of colours. Foot tapping their way into the jungles the Nursery scholars impressed the audience with their knowledge on animals and phonic sounds. Diving into the sea the students demonstrated their counting and numeracy skills. The presentation wrapped up with a strong message by the students on saving the environment by respecting natural resources and keeping it clean.

The Headmistress- Junior Wing, Ms. Vinita Sachdeva extended the vote of thanks and appreciated the performance of the students of Nursery. She concluded the session by thanking the parents for their constant support throughout the session.

The audience was all praises and in awe of the confident performers who in a matter of a few months had transformed from shy, hesitant students into self-assured Goenkans ready to move to the next level of their academic journey.
