

G.D GOENKA PUBLIC SCHOOL, SARITA VIHAR

THEME: Oral Health-‘Bright Smiles Bright Futures’

DATE: Tuesday, February 9, 2021

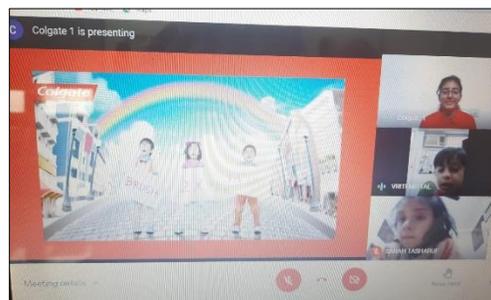

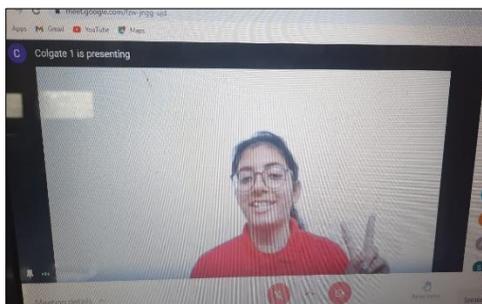

CLASS: Nursery to Grade-2

EVENT REPORT

“Oral health is a reflection of physiological, social and psychological factors that are essential to our quality of life.”- *Anonymous*

A webinar on good oral health- ‘Bright Smiles Bright Futures’ was organised for the students of Grade -Nursery to Grade- 2 as a testimony to being one of the important factors for overall wellbeing of the future of our society.

A resource person from the Colgate Team- Ms. Shivangi enriched the knowledge of the young Goenkans on the topic. A peppy song on teeth gave the session a headstart which captured the attention of all the attendees.

There was an ice breaking session where children answered basic questions on dental care put forth by the expert. The students were held captivated by the puzzle games and quiz on the theme to promote awareness on the issue and infuse the fun element simultaneously.

Post the knowledge enrichment session with some important tips and facts about dental hygiene, the students all pledged together to keep their teeth and gums healthy and clean. The session concluded with a thank you note by the Headmistress, Ms. Vinita Sachdeva.
