**VENUE: Classrooms-Junior School Building**

**CONDUCTED BY: Class Teachers**

**ATTENDED BY: Parents of Classes Nursery to II**

### **EVENT REPORT**

G D Goenka Public School, Sarita Vihar firmly believes that a teacher-parent partnership is imperative for the holistic development of the students and is the key to promote a conducive environment for the students to learn.

A Class-wise Induction Programme was organised by GD Goenka Public School, Sarita Vihar on Saturday, April 9, 2022 for the parents of the Junior School comprising Nursery to II. The aim was to familiarize the parents with the curriculum, rules and regulations of the school, teaching methodologies and to give them a detailed insight into the best pedagogical practices followed by the school in the scholastic as well as co-scholastic areas.

Emphasis was laid on effective communication between the parents and teachers to help build a strong foundation for the students' glorious future. The parents were also given an overview of the various subjects and the techniques and methodologies used in classes which are self-directed and based on hands-on learning, which not only provide students opportunities to showcase their creative talents but also help in their all-round development. The session concluded with a guided tour of the new building (Junior School) which was well received by the parents.

Overall, the Induction Programme served as an important interface for the parents and teachers to connect and further ease the transition of the students from Online to Offline mode of learning.
