

G D GOENKA PUBLIC SCHOOL, SARITA VIHAR

REPORT: Pet Day

DATE: Friday, January 22, 2021

CLASS: Nursery to Grade II

Event Report

“Until one has loved an animal, a part of one’s soul remains unawakened!”

To inculcate the importance of caring for animals, the students of G.D. Goenka Public School, Sarita Vihar celebrated Pet Day on Friday, January 22, 2021 virtually. The main objective of organizing this day was to sensitize the little Goenkans about animals and create a sense of responsibility in their minds on how they need to love and care for other living beings.

The children were happy to introduce their pets to their teachers and friends. Life with Pets is like a wonderland, they bring so much joy to everyone’s life. The session was full of happiness with the presence of furry friends like dogs, cats, birds, fish and guinea pigs. The students of the Junior School once again showed that they put in their heart and soul to everything they do. They were well versed with the responsibility attached with owning a pet. They provided information about the food their pets eat and the kind of care that had to be taken at home. The students were excited and thrilled to observe the movements and behaviour of the pets. Little anecdotes were shared by the pet owners and that brought smiles on the faces of all the children. It was a session full of giggles, love and admiration.

The children gained knowledge about pets through a Power Point Presentation prepared by the teachers. They were keen to make a Dalmatian Dog craft and a Bunny Rabbit craft using hand cut-out. The teacher tried to clarify any doubt they had related to pets. She also encouraged everyone to adopt a pet and discussed the benefits attached to it. The students who do not own a pet were happy to introduce their toy pets and shared that they will adopt a pet soon.

The session ended with a positive note that everyone’s life matters and everyone should do their bit to spread happiness and love.
