

G.D. GOENKA PUBLIC SCHOOL, SARITA VIHAR

THEME: Monsoon Celebration

REPORT: Rain Raga

DATE: Friday, July 21, 2023

CLASS: Nursery-II

“Life isn’t about waiting for the storm to pass. It’s about learning to dance in the rain.”

-Vivian Greene-

The monsoon season brings a sense of joy and relief from the scorching heat of the summer months. This beautiful season of the year is a gift from God to mankind. It revives our souls and fills the surroundings with the beauty of freshness and greenery. To celebrate this magical season of the year, G.D.Goenka Public School, Sarita Vihar organized **“Rain Raga”** for the students of Nursery to grade II. The event aimed to bring students, teachers, and staff together in a fun-filled environment, fostering a sense of camaraderie and joy. The celebration also served as an opportunity to educate the students about rainy season, and making them more conscious of their responsibility towards the environment.

The school premises were beautifully decorated with umbrellas, rainbows, and raindrop cutouts, creating a cheerful and welcoming atmosphere. The students came dressed in vibrant monsoon-theme based attires. They were holding rainbow-colored umbrellas and were decked up in radiant raincoats. The event featured a variety of activities, catering to the interests and talents of the students.

A ramp walk was organized all the students of all classes from Nursery to I. One by one, the Goenkan models, confidently walked down the ramp showcasing their confidence and monsoon attire, captivating everyone's hearts. The children recited rhymes associated with the rainy season on the stage. It was a delight to see these young ones radiating confidence on the stage. Class II was part of a Show n Tell Activity, organized for the students wherein they spoke about their costumes and the props they were carrying.

The special attraction of the day was the Monsoon Food Counter which had an elaborate display of mouthwatering food delicacies which are enjoyed during the rainy season, such as Samosas, Pakodas, Corn, Kachori, Ghevar, Malpuas and Jalebi etc. A beautiful photo booth was also set for the students to pose with their monsoon accessories.

Apart from the fun and frolic the teachers also briefed children about the importance of water in our lives and emphasized upon conserving water and being responsible towards our environment. Rain Raga was a grand success as it not only encouraged creativity, camaraderie, and a love for nature among children but it also reinforced the school's commitment to holistic education and nurturing well-rounded individuals.
