THEME Monsoon Season /Fruits & Vegetables

REPORT: Rhyme Recitation Competition

DATE: Thursday, July 21, 2022

CLASS: Nursery

“Beauty is the realm of Poetry.”

Poetry is beautiful through its expressions, rhyme and rhythm. Rhymes are an integral part of Nursery education, as they help children to enhance their musical and aesthetic awareness. To instill a love for poetry and to develop oratory skills amongst our little ones, G D Goenka Public School, Sarita Vihar organized an intra-class Rhyme Recitation Competition on Thursday, July 21, 2022.

The tiny tots of Nursery came up with a variety of rhymes on the topics " Monsoon Season /Fruits & Vegetables" and recited them with great zeal and enthusiasm. They were judged on a Rubrics with the criteria of like Action, Voice modulation, Memory and Selection of Rhyme. At the end of the competition, teachers appreciated and applauded the performance of the students. The stellar performers were awarded certificates and praised for their capabilities. Such competitions help the students to overcome stage fear, enhance their confidence and develop their overall personality.

Children participated in the competition with a lot of excitement and zeal. It was endearing to witness the little poets and their endearing expressive styles.
