## **REPUBLIC DAY CELEBRATION**

**THEME:** 74<sup>th</sup> Republic Day

**REPORT:** Republic Day Celebration

**DATE:** January 25, 2023

**CLASS:** Nursery - II

### **Republic Day Report**

Republic Day is a day to celebrate the adoption of the Constitution of India and the establishment of a republic country. It is a day to remember and appreciate the nation's diversity and the values of unity, integrity, and inclusiveness that bind the country together along with the rights every Indian has been granted with. The 74<sup>th</sup> Republic Day celebrations took place with immense patriotic fervor and zeal at G D Goenka Public School Sarita Vihar, Junior School.

The students of kindergarten presented an Assembly showcasing the colourful tableaux from Assam, Kashmir, Gujrat, Punjab and other states depicting India's vibrant cultural heritage. They also showcased the social progress the country is aiming for, with the mantra "Beti Bachao Beti Padhao" and "Swachh Bharat Abhiyaan". The students also presented patriotic songs and dance to celebrate the monumental day. The school Principal, Ms. Seema Sahay concluded the assembly with motivational thoughts on how creating a diverse and inclusive school environment is essential for the development of a nation.

All children from Nursery to Grade II displayed their love for the Nation by making beautiful tri-colour crafts and kites, which also marked the occasion. The little Goenkans imbibed the essence of Embracing Diversity, which is also the value of the month, with the dual Festival celebration of Republic Day and Basant Panchmi. The euphoric celebration, irrespective of religion, caste and ideology, aided in sensitizing everyone towards the importance of the day.
