THEME: Summer Enrichment Programme

REPORT: Eco-friendly Rangoli/Seed Art

DATE: June 9, 2020

CLASS: Nursery- II

“Art enables us to find ourselves and lose ourselves at the same time.”

-Thomas Merton

EVENT REPORT

The Summer Enrichment Programme is conducted every year in G D Goenka Public School, Sarita Vihar with a lot of zeal and enthusiasm to break the monotony of the routine study pattern in school. This is the time of the year when students are able to discover their latent talent and focus on developing their co-curricular skills. Unlike the other times, this year the Summer Enrichment Programme was unique as it was conducted online and involved both the parents and the students.

The Eco-friendly Seed Art activity was conducted on June 9, 2020 all across classes, Nursery to II to trigger the creativity and expression existing in each student. It also focused on improvising their motor skills. The students had the choice of selecting their own seeds of different colours and preparing vibrant and beautiful Rangolis with the help of seeds easily available in the kitchen. They were helped by their parents at every step.

The Rangolis looked attractive and colourful and were a treat to watch. The students and their parents too enjoyed the activity thoroughly.
