Spellings are the foundation to Literacy and Literacy is the foundation of Knowledge. To strengthen the structure of knowledge in the Goenkans at the junior school level, the Spell Bee, Preliminary Round Competition was held for all the students of Kindergarten and class I at G.D. Goenka Public School, Sarita Vihar.

During the preliminary round of the competition, all participants were given a set of spelling words, and they had to write the correct spelling of each word. It was heartening to see enthusiastic participation from all the students, showcasing their commitment to improving their language skills.

This competition served as a reminder of the importance of language proficiency in our educational journey and encouraged students to strive for excellence in their linguistic abilities.

A team of three students have been selected from each class and section for the final round which is scheduled in the third week of November 2023.
