### **EVENT REPORT**

**The best way to teach people is by telling a story.**

Story Telling is a unique human skill shared amongst people far and wide. It gives wings to our imagination and take us to places beyond the boundaries of physical world.

Brightening the day of the students and the teachers with wonderful stories, G.D. Goenka Public School organized an Intra Class 'Weave A Story' competition for the students of Kindergarten & Class 1.

The little Goenkans participated actively and with great zeal in the competition. They narrated their favourite stories like 'The Five Friends', 'The Thirsty Crow', 'The Lion and the Mouse', etc. Some of them were even dressed in the characters of their story and told the story with creative gestures, expressions using props like puppets or flash cards. Every story conveyed a moral.

The stories were adjudged on the basis of Expressions, Confidence and Presentation skills of the narrators. The little story teller were applauded for their wonderful efforts and were appreciated for their efforts with certificates.
