

G. D. GOENKA PUBLIC SCHOOL, SARITA VIHAR

THEME: Virtual Summer Enrichment Programme 2020

REPORT: Tattoo Making Activity

DATE: Wednesday, June 10, 2020

CLASS: Nursery to II

EVENT REPORT

“Art is as Natural as Sunshine and as Vital as Nourishment.”

Children are naturally creative. It is our job to give them the freedom, materials and space to let their creativity blossom to its full potential. Creative play is a vital part of childhood and child development. Creative experiences help a child develop life skills and enable them to share their thoughts, feelings and ideas.

Happiness is to listen to your heart and live like a child. The Goenkan Summer Enrichment Programme was conceived with the same thought where the idea was to bring the parents and children together and take the parents back to their childhood. In resonance with the same, to augment the creativity and imagination in the field of art, a Virtual Tattoo Making session was organized by G.D Goenka Public School, Sarita Vihar on June 10, 2020 catering classes Nursery to II. Tattoos are culturally rich forms of creativity and promote freedom of personal expression at a young age. Whether it's wearing a temporary unicorn tattoo or a bold design, allowing a child to express his/her personal style will foster their confidence and encourage them to continue to share who they really are.

The children and their parents had to make tattoos on each other's hands using whatever is available at home from the list shared by the teacher before-hand. The students along with their parents enthusiastically and gaily participated in this fun-loving session. The students of class Nursery used poster colors and henna paste while Kindergarten students made tattoos with potato stamps. Classes I and II showed their creativity skills by making tattoos with ladyfinger printing, glitter sketch pens and paints.

Children had drawn a variety of beautiful and innovative designs. The parents' performance was noteworthy too. They made lovely designs of flowers, insects, animals, their favorite cartoon character/superhero etc. Every effort was worth applauding. A wave of enthusiasm amongst the students was seen during the session. It was a great opportunity for the parents to socially and emotionally bond with their children and bring a smile to their faces.
