EVENT REPORT

G.D Goenka Public School, Sarita Vihar has always focussed on giving its children a holistic approach and help its students go beyond the textbook learning and excel themselves in every field. The little Goenkans of all the sections of Grade-I presented a Virtual Thematic Presentation before their parents, class teachers and the Primary Headmistress-Mrs. Vinita Sachdeva. The theme taken up was 'DELHI-SIKKIM'. Through the presentation, the students compared the two states with respect to their weather conditions, geographical features, neighbouring states , famous monuments , popularly played sports. They talked about the popular modes of transport of each state and famous personalities associated with each state. This was the first time ever that the students got a chance to present themselves on the virtual platform. The students spoke their learnt lines confidently in front of the live audience which gave a boost to their morale while honing their memory skills simultaneously. The children were dressed as natives of Sikkim and Delhi and made famous mouth watering delicacies of the two states highlighting the rich culture of each of them respectively.

The presentation concluded with a dance performance on the patriotic song –‘Hum Sab Bhartiye Hain’. The energy of the students made even the parents sway along with them to the beats of the song. The Primary Headmistress, Mrs. Vinita Sachdeva lauded the efforts of the students and stressed on the general knowledge of the students being the call of the day, as it enables the students to apply what they learn in all spheres of life. The presentation boasted of 100% participation by each class.
