

G D GOENKA PUBLIC SCHOOL SARITA VIHAR

REPORT: Thematic Presentation: Plants

CLASSES: Grade II

DATE: 03.06.20, Wednesday

Report

“Nothing builds self-esteem and self-confidence like accomplishments.”

Grade II accomplished yet another milestone by organising an [Integrated Presentation on the Theme- Plants](#). The presentation was held on [June 3, 2020](#). It was attended by the school Principal, Ms. Seema Sahay and the Primary Headmistress, Ms. Vinita Sachdeva.

The students gave a detailed information on the topic describing the various types of Plants and their uses. The uniqueness of this presentation was that it was not restricted to General Awareness only but all the other subjects like English, Hindi and Mathematics too were linked with the theme Plants. It was a very interactive presentation wherein the parents also actively took part in the quiz and were eager to give the answers.

The Presentation ended with a positive note and all the Goenkans pledged to save their Mother Earth.
