

G.D GOENKA PUBLIC SCHOOL, SARITA VIHAR

THEME: Toy Party

REPORT: The Toy Party

DATE: Tuesday, April 26, 2022

CLASS: Nursery & KG

**“A Day Spent with Toys,
Is Always a Day Well Spent.”**

Children are the key to the future. Their happiness and wellbeing depends on their immediate environment and toys are an essential part of the same. Toys not only help children to express their feelings but also help them to feel secure. To make our tiny tots understand the importance of their favourite toys and how to be responsible for them, a Toy party was organized at G D Goenka Public School, Sarita Vihar on Tuesday, April 26, 2022.

The students of Nursery & KG were asked to bring their favorite toys to the class and speak few sentences on the toys they had brought from home. Each student was given a chance to voice out his/ her feelings about their favourite toy, its special features and why the toy was his/ her favourite. This activity gave the students a chance to develop their oratory skills and express their thoughts. It enabled to build the confidence and develop effective communication skills in students. It was an interesting and thrilling experience for the little learners when they shared their feelings with their peers in the fun and comfortable learning arena of the 'Toy Party'. The children had some fun activities like playing with their toys, sharing their toys, to play pretend, draw and color and so on.

Not only did the students enjoy playing with and sharing their toys, they also learnt so many attributes like being caring and responsible while spending time with their toys. It was indeed a Toy Day and the Toy Party was an event packed with fun and learning.
