

# G.D GOENKA PUBLIC SCHOOL, SARITA VIHAR

**THEME:** Field Trip

**REPORT:** A Visit to the Neighborhood Market

**DATE:** Friday, July 15, 2022

**CLASSES:** Class I and II

## EVENT REPORT

Field trips equip children with hands-on learning experience. They break the monotony by introducing to the children a different way of learning through firsthand experience. Taking this forward, G.D. Goenka Public School, Sarita Vihar, organized a visit to the neighborhood market for students of class I and II on Friday, July 15, 2022. This trip was organized to give the students an insight to their neighborhood. During the visit the students interacted with the **Bank Manager** and learnt the significance of a bank. They also learnt the use and purpose of **ATM machines**. An interaction with the Post Master in the post office helped them understand the working of a **Post Office**. They also visited shops like the **Drycleaners, Grocery Store, Florist and Confectioners**. The pharmacist enlightened them about the importance of a **Chemist shop**.

It was a beneficial trip and a day filled with learning.
