

IT'S ADVENTURE TIME!!!

THEME: Adventure Camp

REPORT: Rocksport- Day Adventure Capsule Program

DATE: Friday, February 3, 2017

EVENT REPORT

*It is only in adventure that some people succeed in knowing themselves-
in finding themselves...*

On Friday, February 3, 2017, G.D .Goenka Public school, Sarita Vihar teamed with Rocksport to mete out to the little Goenkans of Nursery to Class 2 a safe and secure camping experience in the school playground. Taking forward the Goenkan philosophy, the camp aimed at providing students an enriching experience of learning beyond books and classrooms in a healthy and stimulating environment.

Spaced out within the school hours, the camp boasted of a plethora of adventure games bound to keep the children hooked. Students enjoyed the thrills of walking on a Log Bridge and mastered restraint and endurance while moving through the Laser Beam. Under the active support of trained instructors, the little explorers perseveringly stretched their bones whilst Rock Climbing. They successfully conquered fear and anxiety as they moved up the Commando Net and crawled out of the Dragon Move. Coupled with excitement and pleasure they discovered their way out of the Magical Maze and balanced themselves as they jovially jumped on the Hippety Hop Balls.

It was a day filled with adventure and experiential learning wherein the students enjoyed the newfound independence and self- belief as they faced each challenge powered with fun and feat. Each participant received a certificate acknowledging excellence in doing all activities with courage and enthusiasm.

**RUN WHEN YOU CAN... WALK IF YOU HAVE TO... CRAWL IF YOU MUST ;
JUST NEVER GIVE UP!!!**
