

G.D. GOENKA PUBLIC SCHOOL, SARITA VIHAR

THEME: Health and Fitness

REPORT: Annual Health Check-up

EVENT REPORT:

Regular health check-ups are an integral part of child's development. Monitoring various growth indices helps take measures to improve a child's health and create awareness. The old maxim 'Health is Wealth' is given due importance in G.D.Goenka Public School, Sarita Vihar and Annual Health Check-ups are conducted on a yearly basis. This session too, the Annual Health check-up was undertaken by the School Doctor and Nurse from February 9 to February 21, 2018. The entire strength of students from Nursery to Ninth was examined. Apart from the physical aspects, the state of well- being of important organs was also established; the heart and lungs were auscultated & the abdomen palpated to find any abnormality. The details with special advice where required, are recorded in the Annual Report Health Card, which will be shared with the parents.
