

## G.D. GOENKA PUBLIC SCHOOL, SARITA VIHAR

### ANNUAL EYE CHECK UP

**THEME:** Annual EYE Check- up.

**REPORT:** Eye Care Camp for the students.

**DATE:** Monday, 23rd to Friday, 29th January 2018

#### EVENT REPORT

Eyes are the window to the outside world and taking care of the precious pair is an integral part of a child's general hygiene and physical development. Observing the present day scenario, where we see children glued to the electronic gadgets for hours together, doctors have noticed a surge in vision problems and nowadays, more and more children are dependent on spectacles.

The objective of this general eye checkup was to spread awareness on eye disorders, their early detection and to correct refractive errors and cure eye ailments among school children as well as to provide tips on caring for and protecting their eyes. It was conducted in the school Infirmary, from Monday, 23rd to Friday, 29th January 2018 for the students of classes Nursery to IXth by the school doctor and the Nurse where the far and near vision was tested and recorded.

The checkup was conducted with the latest eye examination tools. The students were also briefed on how to take care of their eyes. The students also had lot of queries which were cleared by eye specialist. The camp turned out to be very beneficial for our students.
