BOOK FAIR

THEME: Book Fair

REPORT: Book Fair at GDGPS Sarita Vihar

DATE: January 16, 2020 to January 18, 2020

EVENT REPORT

Books are uniquely portable magic. Book fairs are appetizers for further reading. Book fairs play a huge role in encouraging reading habit among people of all age groups.

G.D Goenka Public School, Sarita Vihar held a three days 'Book Fair' from January 16, 2020 to January 18, 2020. Students across all classes from Nursery to XI were taken to visit the book fair and provided with opportunities to browse the books before deciding on the favorites one. Books are grouped by age or grade-level, so it's easy for students to find characters and subjects they love and want to read about. The students enjoyed the fair and picked books varying from science to spooky stories; from puzzles to poems; and from fiction to facts. The teachers equally helped the children in selecting the books. The children wished the fair to last for a longer time as it would give them an opportunity to read and access more informative literature.
