CLASS: Grade I

### **COFFEE WITH CURRICULUM**

G D Goenka Public School, Sarita Vihar has always focused on giving its children a holistic approach and help its students to learn concepts in an integrated manner and for life. The Goenkans of Grade I presented an Integrated Learning Programme by the name “Coffee with Curriculum” before the parents on 26<sup>th</sup> February, 2020. The idea behind the presentation was to showcase the learning which they have gained during the session in various subjects through skits, games and hands on activities. The event boasted of hundred percent participation from all the three sections of Grade I and provided each child an opportunity to portray the knowledge gained by them so far in the session.

The programme commenced with the Primary Wing Head Mistress, Ms. Vinita Sachdeva addressing the parents and students welcoming the parents with a melodious song declaring that they were all set to move to the next rung of their academic ladder. Parents also enjoyed glimpses of the activities done by the students throughout the session, through a heart touching movie.

Concepts of all the four primary subjects, Mathematics, English, Hindi and English were well exhibited. The cherry on the cake was the ‘Game Counters’ of each subject, prepared by our students which the parents enthusiastically participated in. The parents lauded the student’s efforts for conducting the Science experiments and activities independently and confidently.

The appreciative smiles and the valuable feedback over a cup of coffee was like a pat on the back of Grade I Goenkans.

The event demonstrated learning and enhanced the confidence of all the students exponentially.
