

G.D. GOENKA PUBLIC SCHOOL, SARITA VIHAR

THEME: Concept presentation

REPORT: Kindergarten Concept Presentation

DATE: Thursday, February 9, 2017 and Tuesday, February 14, 2017

Kindergarten Concept Presentation: A Recreation Fiesta

The wondrous kindergarteners of G.D. Goenka Public School, Sarita Vihar, held a concept presentation for their parents. The idea behind this presentation was to showcase the various learning techniques and the diverse information that children get in a regular class.

Children from all the four sections demonstrated a small skit weaving in all aspects of entertainment through all the subjects displaying the class room scene. The theme for the skit was 'Sources of Entertainment.' Students shared their experiences of visiting the zoo, theatre, magic show, among others, and how all the subjects were integrated with each other in their learning at school.

A quiz based on what was presented in the presentation was conducted by the little quizmasters who also kept score between the Moms and the Dads teams. Parents thoroughly enjoyed the presentation and were impressed that the children hosted the show independently. They left their kind words and generous feedback for the staff.

The Principal Ms. Seema Sahay was a proud spectator of all the four presentations. She discussed the importance laid on 'Integrated Learning' at G.D. Goenka Public School, Sarita Vihar with all the parents, thereby fostering joyful learning.

SHARING KNOWLEDGE INCREASES IT
