### EVENT REPORT

#### Take care of your oral health to protect your mouth & body

The Dental Health Check-Up was conducted by the Dentist, School Doctor and Nurse, for the students of classes Nursery to XI. It was held from 22/07/19 to 26/07/19.

Periodic Dental Health Check-Up is very important for good oral hygiene. The doctor brought tools to examine the students well. She spoke to the students about the importance of oral and dental care and explained in details the root cause of the dental and oral health problems. Demonstration of tooth brushing in steps was shown by Dr. Archana Rani. Dental check-up problems were written in the card of individual child. The doctor advised the students to have regular dental check-up (every 6 months) done. The camp turned out to be very beneficial for our students.
