## **EARTH DAY**

**THEME:** Earth Day

**REPORT:** Earth Day celebration

**DATE:** Friday, April 22, 2016

### **Earth Day Celebration**

#### **“A Clean Earth is a Happy Earth!”**

Keeping this wonderful and meaningful theme in mind the globally recognized Earth Day was also celebrated in G D Goenka Public School, Sarita Vihar.

On April 22, 2016 the students of Nursery and Kindergarten enthusiastically participated in The Earth Day assembly conducted by KG C and made a special craft symbolizing its importance.

The assembly was beautifully conducted and left an everlasting impact. It comprised a small skit and a foot tapping song which enlightened the little ones and everyone else present about the little joys that Mother Earth has blessed us with.

The skit demonstrated the importance of the plant life around us and gave us reasons for the need to protect it. The children spoke confidently and clearly enthralling one and all.

The Principal Mrs. Seema Sahay complimented the performers for a stupendous performance and appreciated the efforts.

The delightful angels of Kindergarten not only performed brilliantly but also showed that they enjoyed being on stage. Their radiating smiles left a clear message that the future generation are aware of their responsibility towards Mother Earth and will ensure that it is respected and protected.
