

# G D GOENKA PUBLIC SCHOOL, SARITA VIHAR

## EARTH DAY

**THEME:** Earth day

**REPORT:** Earth Day Celebration

**DATE:** Thursday, April 20, 2017

## EARTH DAY CELEBRATION

“The wealth of the nation is its air, water, soil, forests, minerals, rivers, lakes, oceans, scenic beauty, wildlife habitats and biodiversity... that’s all there is. That’s the whole economy. That’s where all the economic activity and jobs come from. These biological systems are the sustaining wealth of the world.”

--Gaylord Nelson

Our planet Earth has its own day of celebration: **April 22<sup>nd</sup>** every year. It's a day when we pause to think about the environment. It's a great day to showcase environmental education, highlight efforts to green the school and engage the whole student community in making a difference.

Keeping the same message in mind, a special assembly was conducted at **G D Goenka Sarita Vihar** on **April 20, 2017** which conveyed the message towards protecting our precious earth and its valuable resources, so that they can be available to us for many years to come.

The students of Nursery and Kindergarten also participated in the assembly which comprised of a small skit and a foot tapping song which enlightened the little ones and everyone else present about the importance of our Mother Earth. Students also enjoyed making a craft symbolizing the thought of saving our Earth.

The Principal Ms. Seema Sahay complimented the performers for a stupendous presentation and appreciated their efforts.
