

EVENT: Republic Day Celebration

DATE: Friday, January 23, 2026

CONDUCTED BY: JUNIOR SCHOOL

ATTENDED BY: Nursery to II

REPORT

“Republic Day of India celebrates the spirit of democracy and the power of the Constitution.”

The school celebrated the 77th Republic Day with great enthusiasm, engaging students in a variety of creative activities that highlighted the significance of this national festival. The junior students of G.D. Goenka School, Sarita Vihar marked the occasion with immense zeal and patriotic spirit on Friday, January 23, 2026. Republic Day, observed on January 26, commemorates the adoption of the Indian Constitution and reflects the core values of democracy, justice, equality and unity

The day began with the teacher showing a video of the previous year’s Republic Day parade, providing students with a glimpse of the grand event at Kartavya Path. The parade showcased the rich cultural heritage and military strength of India, inspiring the students and helping them understand the importance of the day.

To instil the spirit of patriotism, each class participated in a creative activity based on the Indian tricolour:

- Nursery: Tiny tots made flipbooks of National Symbols, colouring pictures and writing their names in a fun way.
- Kindergarten: Students created a tricolour peace dove, learning about the national flag and the message of peace.
- Class I: Children prepared the Goenkan Class Constitution, a rule book listing rights and duties inspired by the motto THRIVE.
- Class 2: Students created posters on the theme “*Mera Bharat*”, highlighting the Indian Constitution and national symbols, and expressing patriotism and love for the nation.

The celebration not only fostered patriotism but also encouraged creativity and teamwork. Students proudly showcased their creations, reinforcing the values of unity, diversity and pride in our nation.
