FUN DAY

To set the tone of the upcoming session, G.D. Goenka Public School, Sarita Vihar witnessed a day full of fun and frolic on April 3, 2017, when all the new students were warmly welcomed to experience the amusement galore with an attractive set up involving multiple activities planned for them.

Children were delighted to see the school decorated as per the theme of the day “Minions”. The magic tricks performed by the magician and the highly entertaining puppet show charmed the newcomers. The rides on the Toy train and endless bouncing sessions in the Bounce House raised the excitement level exponentially. To add to the entertainment quotient they relished eating cotton candies and yummy popcorn to their heart’s content.

The tiny tots also received gifts and a huge Minion foil balloon for their colorful beginning. They left the premises with colourful tattoos on their wrists, satisfying smiles and joyful hearts.
